### Are you prepared for Downtime—February 24 & 25th?

In preparation for the implementation of several new software applications in the coming months, Windsor Regional Hospital and CHIS teams have been working to plan a "Unified Upgrade" of the present STAR (ADT) and Horizons Clinical software (Orders and ED Tracking Board). It is anticipated that there will be planned **12-16 hour** downtime occurring **Sunday Feb 24, 2300 into Monday Feb 25 afternoon effecting both night and day staff**. Paper processes similar to other scheduled downtimes are to be followed. For more specific information and updates please refer to a new section on the front page of the intranet topic listing called Clinical Software Downtime References, your downtime binders and/or additional information provided to your manager or Clinical Practice Manager or email notifications. If you have any questions please contact Corry O'Neil WRH Clinical Application Lead or Linda Campeau WRH ADT Lead or Craig Reed, Director CHIS.

### W.E. Care for Kids Hockey

On Saturday February 23, 2008 the Leamington Police present the Oldtimers' Hockey Challenge Classic at the Kinsmen Recreation Complex. Legendary Hockey Heroes take on the Leamington Police in support of the W.E. Care For Kids Foundation. Hockey stars of the past scheduled to appear are Guy Lafleur, Glenn Anderson, and Bryan Trottier. For further details contact Danielle Ramsten at ext. 52656.

### Take a Walk in my Shoes scheduled March 3rd, 4th and 5th

Windsor Regional Hospital will be hosting *Take a Walk in my Shoes* for the first time March 3rd, 4th and 5th. This is a unique opportunity for people to shadow someone during the course of a typical day. Over 60 individuals will be shadowing on these days. *Take a Walk in my Shoes* will take place twice this year. Kudos to all the staff who have agreed to participate by allowing someone to walk in their shoes. For more information, contact Melissa Simas, Manager of Human Resources at ext. 72302.

**Did you know? 'Can the Complaining' has gone corporate-wide—any department that wants to participate**
