INFLUENZA SURVEILLANCE PROTOCOL

OCTOBER IS CHILD ABUSE PREVENTION MONTH

Windsor/Essex Children's Aid Society reminds all of us of Child Abuse Prevention Month through their 'Go Purple Prevention' initiatives. The importance of early prevention is everyone's responsibility toward protecting children and youth through the support of families in need of help. To learn more about child abuse prevention, visit www.preventchildabuse.ca

INFANT AND PREGNANCY LOSS AWARENESS DAY RECOGNIZED

Members of the Perinatal and Paediatric Bereavement Program recognized those affected by an infant loss on October 15, the national awareness day. Families who experienced a loss shared their personal stories and thanked committee members who assisted them at the time of their grief. Dino Chiodo, President of UNIFOR Local 444 (formerly CAW) recognized Stephanie Desjardin, a member of the committee for bringing forward a need to support the group with a \$5000 donation from the Social Justice Committee.

NEUROSURGERY RECEIVES GIFT

Staff on 8th Floor Neurosurgery, Ouellette Campus thank Melissa Martin (in orange sweater behind chair) for raising \$2,800 toward the purchase of a patient commode shower chair as a result of her birthday fundraiser held at Leo's Comedy Club. Melissa is a strong advocate on behalf of the Brain Tumour Foundation of Canada and is passionate about assisting causes on behalf of brain tumour survivors.

STARLIGHT FOUNDATION SHINES BRIGHTLY!

Representatives of Starlight Foundation and Toys R Us are joined by Pat Valleau, Coordinator, Fundraising and Jennifer Burton Liang of Windsor Regional Hospital to accept a donation of \$2000 and an additional \$500 in gift cards for Paediatric Child Life Services. The funds assist Child Life specialists to use techniques such as therapeutic play and music/art therapy to help reduce stress and anxiety in children while in the hospital.

National Cervical Cancer Awareness Week,
October 21 – 25, 2013

A special thank you to the
Multicultural Council of
Windsor & Essex County
for their in-kind donation
of clinic space for the day.

Each year, 400,000 women in Canada receive an "abnormal" Pap test result. If left untreated, the "abnormal" cells of the cervix could develop into cancer.

JUST BECAUSE YOU
FEEL NORMAL,
DOESN'T MEAN
EVERYTHING IS NORMAL.

Get your **FREE** Pap test today. Pap tests save lives.

PAP TEST
CLINIC:

Date: October 23, 2013
Location: 245 Janette Ave., Windsor, ON
(Multicultural Council of Windsor & Essex County)
