Pan Am Fever To Hit Windsor!

Windsor Regional Hospital is getting an opportunity to be a part of the upcoming Pan Am Games!

The Ouellette campus will be one of only three hospital stops being made for the Torch Relay, part of a 41-day journey that shares the Pan Am Games spirit across more than 130 communities.

Look for the torch to arrive at Ouellette campus at 9 am on Wed., June 17th in the Healing Garden adjacent to the cafeteria.

According to Pan Am Games officials, the flame represents the history and spirit of the Games; it is a symbol that unites the 41 Pan American Sports Organization (PASO) member nations.

The flame for this year's Pan Am Games was lit during a traditional ceremony at the Pyramid of the Sun, in Teotihuacan, Mexico, on May 30th. Following the lighting, the flame was handed over to a representative from Toronto, the host city for the July 10-26 games. The flame was then flown back to Canada to begin its nationwide journey before arriving in Toronto to light the cauldron at Opening Ceremony on Fri., July 10th, which signifies the start of the TORONTO 2015 Pan Am Games.

For more information on the Games, visit www.toronto2015.org.

The Big Bike A Big Success!

Dozens of WRH staff and friends rode the Big Bike for the Heart and Stroke Foundation on Friday, June 5th.

Despite the risk of rain it was a relatively dry ride for the two teams led by Denise St. Louis, District Stroke Coordinator, and John Bradt, Clinical Practice Manager, Cardiac Catheterization Lab/Diagnostic Imaging.

The event raises funds in support of research, public education and advocacy efforts.

The event provided a great opportunity for camaraderie – teams met in advance at the Bull 'N Barrel at 670 Ouellette Ave., a short walk after work from the Ouellette campus – all in support of a good cause.
