### We Stand Together!

March 21st of last week was International Day for the Elimination of Racial Discrimination throughout Windsor-Essex and the world. Sponsored by the Multicultural Council of Windsor-Essex, their goal was to approach 45 organizations such as Windsor Regional Hospital, take a photo displaying harmony and post on social media. They report that the day was a resounding success and shows that Windsor-Essex stands together against racial discrimination.

Photo left: Members of the Ahmadiyya Muslim Jam'at (Windsor Chapter); India Canada Association (Windsor-Essex County) and staff stand together on International Day for the Elimination of Racial Discrimination.
