WRH's 2018 United Way Campaign

The Windsor Regional Hospital Annual United Way Campaign will kick off on September 12 offering a variety of prizes during the sign up period. Return your pledge card and signed raffle ticket by noon, September 20th and you will be eligible to win \$600 in gift cards of your choice in the Early Bird Draw.

Our total community is impacted by United Way and all that it does and offers in our region. Along with corporations, labour, business, financial institutions and education, we all benefit.

The United Way/Centraide Windsor-Essex County supports thousands of people across the community and helps those in need. Over the next five years, United Way will be investing in programs across Windsor and Essex County that include: Food Security; Youth Career Building; Strengthening Kids (Out of School Programs); Youth Mentoring; Family Support; Neighborhood Engagement and Counselling and Support.

Did you know that United Way/Centraide Windsor-Essex County was first known as the Red Feather Campaign, forming in 1947 and developing to what it has become today! At that time, the 'big four'; Chrysler, Ford, General Motors and Hiram Walker & Sons were the catalyst which spearheaded and motivated the success of the annual United Way Campaign. Now, it's a combination of all forces that make United Way reach for success each year.

Watch for flyers, information on the intranet and, display booths, promoting the WRH United Way Campaign. Complete your personal pledge card and return it back to the Foundation Offices at either the Ouellette or Met Campus. Act quickly to be eligible to win prizes!

Important That Information Given To Patients Is Correct!

When a patient, family member or you have to pay a hospital bill or invoice as a result of care at Windsor Regional Hospital, did you know that no matter which Campus provided the service resulting in the billing, you have the option to pay it at either Campus Cashier Office. More importantly, you can pay bills on line.

It is important that we give out the correct information to patients and families as they are the ones receiving wrong and inaccurate information from time to time.

Visit our website for more information at www.wrh.on.ca

OUTSTANDING CARE - NO EXCEPTIONS!

Caesars Windsor
377 Riverside Drive East, Windsor

Rotavirus is the leading cause of diarrheal disease in infants and young children in African and Asian countries. Introduction of rotavirus vaccine results in significant decline in infant mortality, and has reduced diarrhea-related infant death by 34% in Malawi.

Medical Students Take On First Challenge

First-year medical students from Western University's Schulich School of Medicine & Dentistry – Windsor Campus helped promote cancer screening in a fun week-one school activity!

The students were part of the "Medical Apprentice Challenge" which involved a "scavenger hunt" by visiting a number of local organizations (including our Ouellette campus) for photo-ops that also served as a way to get to know the city a little better.

The event is co-hosted by Schulich School of Medicine & Dentistry alumnus, Dr. John Day, and the new Regional Primary Care Lead for the Erie St. Clair Regional Cancer Program, Dr. Tamara Siddall. Dr. Siddall said the event provides a warm welcome to the community for these future physicians.

"This is a fun and interactive way for students to get to know each other, and for those joining the Schulich Medicine – Windsor Campus from outside our region, to get to know the city," Dr. Siddall said. "But most importantly, it will educate these students, as well as help raise public awareness about the importance of cancer screening and prevention." Since inception four years ago, almost 100 medical students have participated in this event.

Striving For Zero

Congratulations to staff at the Ouellette Campus of Windsor Regional Hospital for recently achieving a "0" Harm Index. This measures a number of preventable harm situations that occur in hospitals such as falls, health-acquired infections and irreplaceable lab specimens.

Ice Cream Socials were held at both Campuses to thank and recognize the Ouellette staff for their ongoing work. WRH has had 6 Zero Harm weeks this past year.

VENDORS ON DISPLAY

SEPTEMBER 10 - 14, 2018

Kids Benefit From Corvette Show

The Annual Corvette Club of Windsor Show, held last June on Windsor's waterfront was another success for the Windsor Regional Hospital Foundation. The event brought in \$7200 for the Paediatric Oncology POGO Unit at the Met Campus.

Members of the Corvette Club of Windsor proudly displayed their vintage vehicles which have a great history as a GM product. First introduced in 1953, a Corvette that year cost around \$3500. Now, a Grand Sport Coupe Convertible Corvette is worth over \$60,000. Membership registration shows that there are over 800,000 collectible Corvettes throughout North America.

"As a local club, we are pleased once again to support kids affected by cancer through our annual show in Dieppe Park," said Bryan Hansen, one of the organizers of the yearly Corvette Show.

#RECIPEOFTHEWEEK

Turkey Apple Brie Sandwiches

Makes 4 servings / Preparation: 20 min

INGREDIENTS

- 1 Granny Smith apple, thinly sliced
- 1 teaspoon lemon juice
- 1 whole-wheat baguette (8 ounces)
- 4 leaves red leaf lettuce
- 4 ounces shredded cooked turkey breast
- 2 ounces Brie cheese, thinly sliced
- 4 teaspoons Dijon mustard

DIRECTIONS

Toss apple slices and lemon juice in a small bowl. Cut baguette crosswise into 4 sections. Cut each section in half lengthwise. Remove the soft inner portion of bread, leaving a ¼-inch-thick shell. (Reserve the inner bread for another use) Top the bottom pieces of bread with lettuce, turkey, Brie and the apple slices. Spread mustard on the top pieces and set one on each sandwich. Serve immediately or wrap and refrigerate for up to 4 hours.

NUTRIENTS Per Serving

Calories: 236; Protein: 17g; Total Fat: 5g; Carbohydrates: 32g; Sugar 7g; Fibre 5g; Sodium 431mg

Enjoy a short stack for a tall cause.

You're invited by Dr. Norman A. McCormick Chapter, IODE to an Applebee's
Flapjack Fundraiser breakfast. Funds raised will support the Windsor Regional
