• GROW ON WINDSOR
- 4 • 100TH ANNIVERSARY RAFFLE
• RECIPE OF THE WEEK
• ACCREDITATION 2019
• WINDSOR SPITFIRES PROMOTION

Coming Soon - New Windsor Regional Hospital Website

Windsor Regional Hospital is launching a new website this week! The web team has been hard at work on a new, easy to use, mobile friendly site and is looking forward to the anticipated GO-LIVE date this Thursday, November 29.

After the site is launched, the homepage URL (www.wrh.on.ca) will stay the same. However, links to any other WRH pages (ie. careers, student orientation, physician referrals, Windsor Regional Cancer Centre, etc.) will no longer be active. Users visiting old [wrh.on.ca](http://www.wrh.on.ca) links will receive a notification letting them know that the old link is no longer available and instructions on how to locate the information they are searching for.

The Internet update is a multiphase process and will include an update to the hospital INTRANET in the New Year.

The web team is getting ready to GO-LIVE with a new www.wrh.on.ca site this week.

Windsor Spitfires Halloween Meet & Greet

The annual meet and greet by Windsor Spitfire players continues this hockey season. During Halloween, two members, #64, Mikey DiPietro and #61 Luke Boka visited Paediatric Services, signing autographs and accommodating photo ops where possible.

As part of the Windsor Spitfire season, Centreline (Windsor) Limited generously provides season tickets to Paediatric children and their families to attend games throughout the hockey season.

WRH Recognized For Saving Lives Through Organ Transplants

Windsor Regional Hospital's (WRH's) efforts to integrate organ and tissue donations into quality end-of-life care has been recognized by the Trillium Gift of Life Network (TGLN). The hospital was presented with the Provincial Conversion Rate Award, reflecting the number of patients who went on to become donors. Organ donation is a complex process and the conversion rate reflects how well TGLN and WRH work together to save lives.

In 2017/18, WRH had 29 organ donors, resulting in 82 transplants performed and another 70 tissue donors who enhanced the lives of others. Sixty-three percent of potential donors referred by WRH went on to give the Gift of Life. Windsor Regional Hospital is only one of 29 hospitals in Ontario being awarded the Trillium Gift of Life Network Hospital Award.

"We are proud to acknowledge the important contributions of our hospital partners because the success of organ and tissue donation in Ontario relies on their hard work and dedication," said Ronnie Gavsie, President/CEO of Trillium Gift of Life Network.

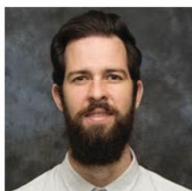

As well, a special award was presented to Dr. Natalie Malus, Medical Director for the ICU and Hospital Donation Physician for TGLN for her many years of work promoting the importance of organ and tissue donations in the region.

WRH's Hidden Heroes Awards were also presented to staff whom include Dr. Alex Briskin, Annie Marchenkowsky, Chantal Khoury, Andre Daresh, Jackie Parent, Faith Ciupka, Pam Scholey, Cheryl Ammoscato, Diane Tokar, Dan Broderick, Michelle Gagne and Jackie Ion.

Today, more than 1500 people in Ontario are on the waitlist for a transplant and, every three days someone will die without one. While a majority of Canadians support donations, only 33% of Ontarians have formally registered their consent for organ and tissue donation. Windsor trails the Province with a rate of 30%, ranked 156th out of 170 communities in Ontario. It is very easy to register; however, it must be online at www.beadonor.ca.

\$100,000 Gift From Julian Small Golf Tournament

Dr. Todd Small, Dr. Sarah Dale and children, Julian, Sadie and Elliot attended a recognition event last week to celebrate the success of the Julian Small NICU Golf Tournament held last summer, raising \$100,000 for the Neonatal Intensive Care Unit.

The funds supported the purchase of a Giraffe Omni Bed Care Station which is a combined incubator and radiant warmer for preemies in the NICU. As stated in the literature, the Care Station is designed to address the changing and complex demands of the NICU by utilizing advanced technology to provide supportive, family-centered care solutions, consistently-controlled thermal environments, warmth during transport, improved patient access and visibility and reliable clinical performance.

The history of the Julian Small NICU Golf tournament began in 2002 when Todd and Sarah experienced the expertise of the NICU when Julian was born. They felt lucky as Julian only required about 6 days in the neonatal intensive care unit, after being transferred from the Leamington hospital to the Salvation Army Grace Hospital where the NICU existed at the time. "I recall sitting in a rocking chair that had a plaque on it recognizing the donor," stated Todd Small. "It motivated me and my family to also give back and that is how the first golf tournament evolved." Since 2002, four uniquely-developed and highly successful tournaments were held at Essex Golf and Country Club, raising up to \$650,000 over the last decade and more.

"Truly, Dr. Todd Small, Dr. Sarah Dale and family join a special group of individuals in our community as philanthropists raising the bar among a select group of people," stated Ron Foster, Executive Director of the Windsor Regional Hospital Foundation.

"We could not have reached the impressive goal of \$100,000 without the assistance of the many sponsors, prize/gift suppliers and golfers who generously stepped forward to make this happen," said 16 year old, Julian Small. "My parents and other families are grateful for the NICU who care for infants on a daily basis and, we are happy to support them."

Purchase your tickets at the Public Affairs/Foundation Office and the Nevada Desks at Met or Ouellette Campuses.

#RECIPEOFTHEWEEK

Fall Vegetable Curry

Makes 4 servings (serving size: 1 cup curry/2 tbsp yogurt)
Preparation: 10 min / Cooking Time: 25 min

INGREDIENTS

- 1 1/2 teaspoons olive oil
- 1 cup diced peeled sweet potato
- 1 cup small cauliflower florets
- 1/4 cup thinly sliced yellow onion
- 2 teaspoons curry powder
- 1/2 cup vegetable broth
- 1/4 teaspoon salt
- 1 (15-ounce) can chickpeas (garbanzo beans), rinsed/drained
- 1 (14.5-ounce) can no-salt-added diced tomatoes, undrained
- 2 tablespoons chopped fresh cilantro
- 1/2 cup plain 2% reduced-fat Greek yogurt

METHOD

Heat olive oil in a large nonstick skillet over medium-high heat. Add sweet potato to pan; sauté 3 minutes. Decrease heat to medium. Add cauliflower, onion, and curry powder; cook 1 minute, stirring mixture constantly. Add broth and next 3 ingredients (through tomatoes); bring to a boil. Cover, reduce heat, and simmer 10 minutes or until vegetables are tender, stirring occasionally. Sprinkle with cilantro; serve with yogurt.
