Teddy Bears For Adults

A big thank you to Chartwell Royal Marquis Retirement Residence in Windsor who visited the Met Campus recently and donated a number of the cute, little bears that Spiritual Care and Social Work can use to brighten a patients spirit.

Chartwell has partnered with Wish of a Lifetime Canada, a charitable organization who holds value beyond a passing desire or casual thought. They stated, it is a dream, a lifelong goal or, a meaningful component to one's life that has been missing. Basically, to help older adults keep their dreams and living a life of purpose.

Photo above: Accepting the teddy bears from Chartwell Royal Marquis are: (back row) Pierina Calcara (Social Work); Anthony Paton (Social Work); Paul Sharrow (Spiritual Care); (front row) Catherine Boyce (Social Work); Sheila Kendall (Spiritual Care) and; Jeanette Belleperche (Medicine Program). In centre is Lou-Ann Erickson, Retirement Living Coordinator for Chartwell Royal Marquis Retirement Residence.

Chinese Canadian Association River Walk

The Essex County Chinese Canadian Association has a long history in the region. They established the association in 1976, with their first President being Dr. Chosen Lau, a member of the Professional Staff at Windsor Regional Hospital (Met Campus) for several decades. Another long time Association President was our very own Chief of Staff, Dr. Gary Ing.

The Chinese Canadian Association participate in the annual Canada Day Parade, Carousel of the Nations, Chinese New Year Celebration, along with other community events including their Annual Chinese Walk.

Recently, they visited the Met Campus and presented this year's donation to the Windsor Regional Hospital Foundation.

Tis The Season

Christmas is a wonderful time of year for all of us, including Paediatric Services where many donations are received pre-and-post the holiday season.

Recently, the Vollmer / Fahrhall / Southland Corporation visited the Met Campus with a vast array of toys and activities for children in the hospital during and after Christmas.

"This is a great way to stock our Treasure Chests in Paediatric Inpatient, Outpatient and the Emergency Department" said Jennifer Burton Liang, Paediatric Child Life Specialist. Child Life staff assist children and families with anxiety and stress symptoms while in the hospital.
