KRONOS IS COMING...Starting at 11:00 p.m. Friday, September 25 for the Met Campus

It is a major change in the payroll system for staff at the Met Campus. Kronos is about creating one payroll system and extending the use of a "card swipe" (electronic swipe system) for Met Campus staff along with upgrading the existing system at the Ouellette Campus. As of September 26, 2015 and the effective pay date of October 1, 2015, all staff at Windsor Regional Hospital (Ouellette and Met Campus) will be under one payroll system!

Please note that the change to "swipe card" for the Met Campus employees for the Kronos time and attendance system will take place, **for any incoming shifts at 11:00 p.m. shift on Friday, September 25, 2015, outgoing shifts up to 7am Saturday morning will not be required to swipe out.** Staff will be required to clock in, using the time clocks in place at the Met Campus when they arrive and leave for their scheduled shifts. Staff and/or volunteers will be present throughout the weekend of the 26th to assist any staff with the new process.

Your Department Manager will be distributing prox (swipe) cards to all Met staff this week for Kronos use. The current swipe cards utilized for access are **NOT** compatible with Kronos and therefore, all staff will require two (2) swipe cards, one for access and one for Kronos. Each employee will be assigned their own swipe card which can not be used by others!

Swipe Clock locations at Met Campus are located at:

- Both sides of the Met Campus Switchboard
- 2nd Floor at Elevators
- 3rd Floor at Elevators
- 4th Floor at Elevators
- Ground Floor near Diagnostic Imaging and OR
- Windsor Regional Cancer Clinic Alsace Entrance
- Windsor Regional Cancer Clinic Kildare Entrance
- Emergency Department Lounge
- Tecumseh/Byng Clinic

WROC & WROL Walk - September 26 Family Fun for Everyone

Mark your calendars for the WROC n' WROL Walk this Saturday, Sept. 26 from 10 am to 12:30 pm. This family celebration marks the 2nd anniversary of realignment and includes face painting, live music, a cupcake contest and a guest appearance by the King of Rock & Roll!

Those of you who were **Born to Run** – or walk – are encouraged to meet at the Met Campus on Lens Ave. (WROL) at 10 am. From there we will head over to the Ouellette Campus (WROC) where the party continues.

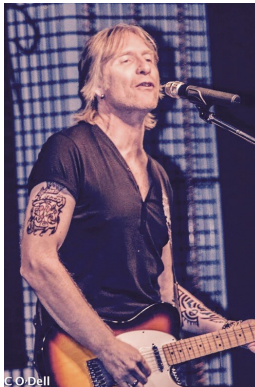

If you don't want to walk, or are worried about getting your **Blue Suede Shoes** dirty, you can join the party in the Ouellette Campus Cafeteria and Healing Garden at 10:30 am.

There will be a **Little Less Conversation** in the Healing Garden where local Elvis Presley tribute artists, James Gibb and Frank Cross, will get things **All Shook Up** starting at 10:45 am.

If country is more your thing, you can **Raise Em' Up** with Windsor Regional's own Sean Hopkins! The Clinical Practice Manager from Neurosurgical education not only looks like he could be related to Keith Urban, he has the voice to match.

The **Heat is On** for some local bake shops are adding a little **Sweet Emotion** to the day with a cupcake contest. Sweet Revenge Bakeshop, Renee's Fine Cakes, Klueless Cupcakes, Border City Cakes and Maria Pia Sccomanna are all working on their best rock & roll themed cupcakes. You get to sample the entries and vote for your favorite!

Don't forget to dress the part. Prizes will be awarded for best dressed rock group and individual costumes! Parking is free at both locations and there is shuttle service back to the Met Campus after the walk.

INTRODUCING NEW FACES AT WINDSOR REGIONAL HOSPITAL

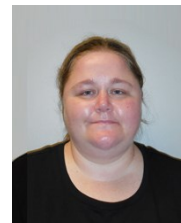

The 2015 Hajj a spiritual pilgrimage is the largest annual gathering in the world and will be taking place September 20 – 25, 2015 in the Kingdom of Saudi Arabia. As with other mass gathering events, the large numbers of people expected to be in attendance during this may increase the risk of transmission of certain infectious diseases, such as influenza, meningococcal disease and MERS-CoV.

Starlight Brightens Kids Faces While In Hospital

When children have to be in the hospital, it can be an anxious and fearful experience for them. Starlight Children's Foundation Canada assist by donating funds and fun centres to help pass the time.

Recently, Starlight representative Suzanne Rahab presented Paediatric Child Life Services with a \$2000 donation and a new game fun centre. Starlight has supported hospitals for over 23 years, transforming lives of children through entertainment activities, giving children something to do while in the hospital. Starlight depends on corporate donations and recognize Intact Insurance as one of those leaders, placing them at the Silver Star Sponsorship level. Another major sponsor is Toys R' Us and Babies R' Us.
