• BREAST HEALTH MONTH
• RECIPE OF THE WEEK
• CLINICALCONNECT SURVEY

The Windsor Regional Hospital Family Giving Campaign provides an opportunity for all of us to give back to our hospital! Donors ask, if I give do staff also give? We can proudly state that the front line staff, professional staff, management and volunteers have donated over \$600,000 in support of programs and services at Windsor Regional Hospital over the last 8 years.

We are also pleased that Manminder (Mander) Matharu, Nuclear Medicine Technologist and member of O.P.S.E.U. (Ontario Public Service Employees Union) has agreed to be our Chair for the 2016/2017 campaign.

Remember, you can designate your donation to your program or service at either campus.

By making a donation early, during the first week (October 24-30, 2016), you qualify for the **Early Bird Travel Package prize of a (\$1,000 Via Rail Voucher, a \$250 Valente Travel Voucher and a 3-piece luggage set (total value of \$1,500).** There are prizes each week of the 6 week campaign however, the earlier you make your donation, the better your chances are on winning any of the many prizes as the campaign progresses.

Please review the Family Giving Campaign Brochure that will be sent to you personally. It has all the information you need to make a gift.

Complete your pledge on line at www.wrhfamilygivingpledge.ca and you will be eligible to win a Ted Farron Gourmet Butcher Shop Family BBQ Package including a \$250 Gift Certificate (Value \$325). Or complete the donation form and return to the Foundation Office at either Ouellette or Met Campus. For more information contact Brandon Osborne at Ext.52449.

Windsor Regional Hospital's Family Giving Campaign Kicks Off on Wednesday, October 26th. Drop by the Administration Conference Room #1 at Met Campus from 11:00 am to 1:00 pm and in the Essex Room at the Ouellette Campus from 2:00 pm to 4:00 pm. Refreshments will be available.

Thank you for your consideration to support the 2016/2017 Family Giving Campaign.

A flag (e.g. electronic notification, chart sticker) should be placed on the chart of any patient who is colonized or infected with an antibiotic resistant organism (ARO), or a contact of an ARO patient, and the status noted for their specific ARO(s) in the medical record. These flags must protect the confidentiality of the patient.

Help Us Create A Community Of Immunity

The influenza season is almost upon us and this year Windsor Regional Hospital is committed to creating a community of immunity with another flu shot campaign. The Employee Health Office will be holding flu clinics during the last week in October (October 24th - 28th at the Met Campus) and the first week in November (October 31st - November 4th at the Ouellette Campus). Flu clinic times and locations are posted on flyers throughout the hospital.

Staff can also receive flu vaccinations at the We Care Pharmacy (Ouellette Campus) on a drop-in basis, Monday through Friday from 9am to 5pm (extension 32181 or 519-255-2181) or at the IDA Pharmacy (Met Campus) located at the corner of Tecumseh and Kildare in the parking lot (519-977-0090) - please call the pharmacies to confirm hours and flu shot availability.

All hospital staff and physicians will be asked to complete the consent/decline form. These forms can be downloaded from the Employee Health intranet webpage and are also available in the Employee Health Office. If you have been immunized elsewhere or are medically exempt from receiving the flu vaccine, please submit your documentation to the Employee Health Office along with your completed consent/decline form. If you are declining immunization for personal reason, please submit this form to the Employee Health Office as soon as you have completed it.

Once again this year, the We Care Pharmacy will be holding two Family & Friends Flu Clinics on Wednesday, November 16th from 5-8pm and Saturday, November 19th from 9am to 1pm. There will be activities for the kids and free pizza. If these days and times are not convenient, feel free to take advantage of your family doctor, participating local pharmacies, or walk-in clinics.

Help us create a community of immunity this year by getting your flu vaccination.

All 4 Mamas Family Fun Fest A Great Success!

Congratulations to the "All for Mamas" organization for holding their annual walk-a-thon at the Ciociaro Club on October 17, 2016. People of every age group, walked, rolled and strolled around the Ciociaro Club track and visited the "Mommy Market".

All 4 Mamas Foundation is a non-profit organization and registered charity. Their philosophy is 'Moms connecting moms throughout the community'. It began with a few friends including Nancy Mahon, Victoria Snow and Jessica Guzman, keeping track of each other on Facebook. Soon, the small group of friends grew into many more friends until today with over 6,500 local moms engage in sharing baby tips, ideas and fundraising ideas through the All4Mamas Facebook page.

WIN a Fitbit Alta!

Book your OBSP Mammogram in October and be automatically entered to win a Fitbit Alta!
Call to book: 519-253-0903

No referral from a doctor is required for Ontario Breast Screening Patients

Maple-Braised Apple & Pork

Makes 4 servings
Cooking Time: 25 min

INGREDIENTS

- 1 tsp ground sage
- Salt and pepper
- 1 tbsp butter
- 1 lb Boneless Pork Loin or Tenderloin, 1/2 inch slices
- 1 Ontario Cooking Onion, thinly sliced
- 4 Ontario McIntosh Apples, cored and thinly sliced
- 2 tbsp Ontario Maple Syrup
- 1/2 cup chicken or vegetable stock

METHOD

Rub pork slices with sage; season lightly with salt and pepper. In large skillet, melt butter over medium heat. Add seasoned pork slices; cook until lightly browned, about 1 minute per side. Remove from pan and set aside. Add onion to pan; cook for 5 minutes or until softened, reducing heat if needed. Stir in apples; cook for 5 minutes. Stir in maple syrup. Return pork and accumulated juices to skillet. Add stock; cover and simmer, until juices run clear when pork is pierced, about 5 minutes. Transfer pork to platter and keep warm. Increase heat to high; cook apple mixture until liquid becomes syrupy. Spoon over pork and serve immediately.

Clinical Connect - A Survey For Users

If you are one of the many employees and professional staff who have clicked on to ClinicalConnect, we are hoping you can complete a short survey to tell us about your experience!

ClinicalConnect is a secure, web-based portal that allows authorized health care professionals to see patient records stored in other hospitals. (Health records are only ever accessed by those in a patient's "circle of care.") Over 37,000 health care professionals from Windsor to Hamilton now have access through ClinicalConnect to patient records housed in hospitals, cancer programs and other provincial health databases which is a development that adds up to better patient care and could result in health system savings.

For those of you who have taken the opportunity to use ClinicalConnect, we are requesting you complete a short survey (5 - 10 minutes) about eHealth activities in our region and about your experiences to date with ClinicalConnect.

To take the survey, go to the Windsor Regional Hospital website and search for ClinicalConnect under the Programs and Services menu, or check your email for the link issued last week.

On behalf of the ESC cSWO Change Management and Adoption Delivery Partner, Transform Shared Service Organization, thank you for your interest in ClinicalConnect™!
