The holiday season has arrived and it is an important time every year to give back to our community and help those in need.

The One CAN Make a Difference campaign in support of The Downtown Mission begins Thursday, December 1, 2016 and runs through December 24, 2016. Last year, more than 3,000 non-perishable food items and hygiene products were donated to this local organization which serves more than 240 meals a day to the homeless and disadvantaged in our community.

"We are thankful for the support Windsor Regional Hospital has given to help those living in poverty," says Ron Dunn, Executive Director of the Downtown Mission. "With a 61% increase from the working poor using our food bank, your donations are timely and extremely appreciated."

Please drop off your donation at bins located in the Goyeau lobby at Ouellette Campus, the main lobby at the Met Campus, as well as the Cancer Centre lobby.

Lots Of Ways To Give Back To Our Community

There are many ways in which Windsor Regional Hospital staff give back to our community, whether it's through supporting a corporate initiative or through an individual or team effort.

Tell us how you or your team is demonstrating "Compassion for Community" so that we can applaud staff efforts to support charitable endeavours. We'd like to compile a list for the WRH web page so that we cannot only applaud efforts by WRH individuals and teams, but also highlight the organizations who are supporting and encouraging others to do the same.

Some of the many groups supported in the past have included the United Way, Windsor Goodfellows, Street Help, Children's Aid Society, Hiatus House, Drouillard Place and many others.

Windsor Regional Hospital recognizes that we have many individuals, teams and departments who care about our community and we applaud all of your efforts in supporting a variety of charitable endeavours.

Let us know your plans by emailing Steve Erwin, Manager, Government and Community Relations, Corporate Communications at ext. 33350 or by email at steve.erwin@wrh.on.ca.

Clean your hands when entering the room or cubicle and before touching the patient or any object or furniture in the patient's environment. This protects the patient and his/her environment from microorganisms carried on your hands from the hospital care environment (e.g., nursing station), other patients/ environments, or from yourself.

WRH Participates In Career Day

Several Windsor Regional Hospital staff members were on hand for a Career Day held at Catholic Central High School on November 23, 2016 that provided inspiration for many female students considering careers in health care!

The third annual Career Day event included a diverse group of women professionals from the community to encourage and empower young women in considering a variety of career pathways.

The event was coordinated by Windsor Women Working with Immigrant Women, whose motto is "Breaking Barriers" to signify the importance of removing career barriers for all women including those of diverse backgrounds in our community.

"It was truly a rewarding two hours with the young girls at Catholic Central," said Manminder Matharu, WRH Nuclear Medicine Technologist. "Our booth rocked and everyone was amazing! My sense is that the others who came today were equally rewarded by this experience."

Thank you to those who attended on behalf of WRH, which in addition to Manminder included Jennifer Burton-Liang (Child Life Specialist), Denise St. Louis (Coordinator for District Stroke Centre Windsor-Essex), Sherri Franz (Coordinator for Corporate Improvement Initiatives) and Patricia Reid (Volunteer).

2016/2017 FAMILY GIVING CAMPAIGN

The Family Giving Campaign at Windsor Regional Hospital (Ouellette and Metropolitan campuses) is designed to provide staff, professional staff, Board members and volunteers an opportunity to give back to their hospital. Whether one has worked at the hospital for a few months or several years, we realize how fortunate we are to be associated with this dynamic organization (Windsor Regional Hospital). Each day we see first-hand the positive difference in the lives that we touch when we give and the satisfaction knowing that we are helping patients and families with enhanced care through medical equipment purchases or improving programs and services we may be attached to.

Often, when appealing to the community for support, they will ask, what have we done before they can make a decision to assist the hospital. Through the Family Giving Campaign, we can proudly state, we too have responded and done our share to support hospital and healthcare in our community.

Thank you for your consideration to support the Windsor Regional Hospital Family Giving Campaign. Many incentives are available to you simply by making a commitment.

CAMPAIGN RUNS UNTIL DECEMBER 2, 2016

100% of your contribution will support the fund(s) of your choice. All participating employees will be entered into a draw for prizes

By donating to the Family Giving campaign, all donors will also qualify for a WestJet Voucher to fly to destinations within WestJet territories. After all prize draws on December 2, 2016, the WestJet prize will be drawn from all donor entries!

For more information on the Family Giving Campaign, please contact Brandon Osborne, Ext.52449 or brandon.osborne@wrh.on.ca

PRESENTER

Dr. Adnan Qureshi
Professor of Neurology, Neurosurgery
and Radiology, University of Minnesota

DESCRIPTION

Funded by the Heart and Stroke Foundation, in recognition of Dr. H.J.M. Barnett's outstanding contribution to the field of stroke. The Lectureship is hosted by Ontario medical schools on an annual rotation basis. The objective is to provide a forum where a distinguished expert in the field of cerebrovascular disease addresses current research and clinical practice.

OBJECTIVES

By the end of the program, participants will be able to:

1. Summarize the parameters that determine the results of both intravenous thrombolytic treatment and endovascular treatment for acute ischemic stroke
2. Identify strategies for optimizing the parameters for such treatments.
3. Implement recent changes in guidelines for treatment of acute ischemic stroke.

Spicy Thai Squash Soup

Makes 6 servings
Preparation: 45min

INGREDIENTS

- 1/4 cup Kraft Asian Sesame Dressing
- 1 onion, chopped
- 1 tsp. red curry paste
- 3 cans (10 fl oz/284 mL each) 25%-less-sodium chicken broth
- 1 butternut squash (2 lb./900 g), peeled, cubed
- 1/2 cup Philadelphia Light Cream Cheese Product
- 1/4 cup chopped fresh cilantro

METHOD

Heat dressing in large saucepan on medium-high heat. Add onions; cook and stir 5 min. or until crisp-tender. Stir in curry paste, then gradually stir in broth until blended. Add squash; stir. Bring to boil; cover. Simmer on medium heat 15 min. or until squash is tender, stirring occasionally. Blend vegetable mixture, in small batches, in blender until smooth. Return to saucepan. Add cream cheese product and cilantro; stir. Cook 3 to 5 min. or until cream cheese is completely melted and mixture is well blended, stirring frequently with whisk.
