@WRHospital

It Is National Volunteer Week

April 23-29, 2017 is National Volunteer Appreciation Week. Thank you to all of the Windsor Regional Hospital volunteers who assist our patients, families, visitors and staff. We are fortunate to have such a large number of dedicated volunteers that give their time to Windsor Regional Hospital and strive to achieve our mission of Outstanding Care – No Exceptions!

Next week, "Thank You Banners" will be located at each Campus in the Vendor hallways at both the Met and Ouellette Campuses. We encourage everyone to sign the banner with a thank you message. Windsor Regional Hospital has over 600 dedicated volunteers – Thank you to all!!!

Our Volunteers

Making positive contributions to everyday life

WRH Oncology Nurse Recognized

Windsor Regional Hospital and the Erie St. Clair Cancer Program are pleased to celebrate the hard work and compassion of Maggie Genna who was recognized by Cancer Care Ontario with a Human Touch Award last week in Toronto.

Genna is an Oncology Nurse in the Chemo Suite who has worked to treat patients while alleviating their fears, for more than three decades. Her presence, accessibility and sense of humour allow patients and staff to know they can always count on her. The awards are given annually to individuals who work tirelessly to provide the true 'human touch' to cancer and kidney care patients across Ontario.

Visit our website for more information at www.wrh.on.ca

MET CAMPUS: Lories Glass, Stuffed Bears, Coconut Oil of Canada, Sarah Fawcett Books

OUELLETTE CAMPUS: Azara Boutique, Just Jewellery

Please note: Vendors subject to change

Tuberculosis rates in Canada have changed little over the last decade and overall, remain stable and low in the global context. TB is most commonly encountered in foreign-born individuals and Indigenous Canadians.

Better Hearing & Speech Month 2017

Each May, Better Hearing & Speech Month (BHSM) provides an opportunity to raise awareness about communication disorders and the role of Speech Language Pathologists.

Speech Language Pathologists (SLPs) are essential professionals in every health care setting-acute care, rehabilitation, paediatric, and psychiatric hospitals, long term care, outpatient facilities, and home health. Their expertise provides invaluable benefit to patients and other staff in managing problems (swallowing, communication, and cognitive-linguistic disorders) that affect patients' overall health, well-being, and ability to benefit from other medical or rehabilitation interventions. The qualifications and expertise of SLPs in health care settings cannot be duplicated by members of other professions.

Speech-language pathologists are autonomous professionals who have expertise in typical development and disorders of communication and swallowing, as well as assessment and intervention for these areas. In some provinces/territories, speech-language pathologists are governed by a regulatory body and must meet regulatory requirements to practice.

Speech-language pathologists are involved in a number of different activities to promote effective communication and swallowing for the individuals they serve. These activities may include:

- Assessment of communication and swallowing disorders, which may involve screening, identification, evaluation, and diagnosis.
- Intervention for communication and swallowing disorders, which may involve promotion, prevention, counseling, treatment, consultation, management, rehabilitation, and education.
- Education and supervision of students and professionals, including supportive personnel.
- Consultation with and referral to other professionals.
- Research.
- University and/or college education and training.
- Administration, management and policy development.

Speech Language Pathologists may work directly with clients, and/or with their caregivers or other persons who regularly interact with them (e.g. friends, relatives, professionals, colleagues, supportive personnel, etc.), for the purpose of creating environments that promote optimal communication and swallowing.

WRH salutes our own Speech Language Pathologists and the important role they play in the lives of patients.

Frontline Tribune Correction

We would like to apologize for the mistake made to the April 17, 2017 edition of the Frontline Tribune "New Faces" section. In that section of the publication, we had a picture of Katharen Bortolin but had the name incorrect. The corrected staff image and title are located to your right.

Day Of Mourning

The National Day of Mourning, held annually in Canada on April 28, is dedicated to remembering those who have lost their lives, or suffered injury or illness on the job or due to a work-related tragedy. The Flag at the Ouellette Campus of Windsor Regional Hospital will be at half-mast in recognition of this day.

Local Author Supports Breast Health Centre

Jacqueline Apostol-Pizzuti, a local businesswomen and author of Healing Pretty, donated a portion of the proceeds from her March book sales to the Windsor Regional Breast Health Centre. Healing Pretty is a comprehensive guide book for women with cancer that helps them cope with the esthetic and uncomfortable side effects of treatment. With over 300 tips, the book gives women the power and confidence to take back their lives.

The book was launched on March 8, 2017, as part of International Women's Day in Windsor and Essex County.

Claudio Pullo, Manager, Diagnostic Services, Jacqueline Apostol-Pizzuti and Colleen Nelson, Director, Diagnostic Imaging/Nuclear Medicine/ Cardiopulmonary Services.

Nominate An Extraordinary Nurse

Nursing Week is around the corner and it's time to nominate a colleague for this year's awards! Just go online to submit a nomination for the Jeanne Mance Nursing Excellence Award, which recognizes RNs and RPNs who continually go above and beyond to provide compassionate and professional care to his/her patients, and exemplifies teamwork, compassion, stewardship and respect. The deadline for nominations is midnight Monday, May 1, 2017. If you have someone in mind you would like to nominate, please visit www.wrh.on.ca.

Also, RNs who are taking or are considering education courses are also encouraged to submit an application for The Lori Dupont Bursary. This is a \$5,000.00 bursary funded by Windsor Regional Hospital and Hôtel-Dieu Grace Healthcare to assist RN staff with continuing education costs. All ONA staff members who are planning to attend education courses, conferences and workshops or who are working toward certification in 2017, are invited to submit a bursary application by midnight Tuesday, May 3, 2017. Each successful candidate will be awarded up to \$1,000. Awards and bursaries will be handed out at a joint celebration with Hôtel-Dieu Grace Healthcare on May 10, 2017.

Sunday, June 11, 2017

The Corvette Club of Windsor - Annual Waterfront Corvette Show (8:00 am - 4:00 pm)

Recipe of the Week

Rhubarb Tiramisu

Makes 12 servings / Prep Time: 25 min
Cook Time: 15 min

INGREDIENTS

- 1/2 cup (125 mL) orange juice
- 1/3 cup (75 mL) orange liqueur
- 1 pkg (375 g) lady fingers
- 2 cups (500 mL) whipping cream
- 1/3 cup (75 mL) granulated sugar
- 1 lb (500 g) mascarpone cheese

RHUBARB SAUCE

- 6 cups (1.5 L) chopped Ontario Rhubarb
- 1 1/4 cups (300 mL) granulated sugar

DIRECTIONS

Rhubarb Sauce: In large saucepan over medium-high heat, stir together rhubarb and sugar until sugar dissolves. Cook, stirring frequently, for 15 to 20 minutes or until a thick sauce. Let cool. In a shallow dish, stir together orange juice and 1/4 cup (50 mL) of the orange liqueur. Dip half (about 19) of the lady fingers into mixture; arrange in single layer in 13-x 9-inch (3 L) baking dish. Set aside. In deep bowl and using electric mixer, whip cream, gradually adding sugar. Stir remaining orange liqueur into mascarpone cheese. Fold whipped cream into mascarpone cheese mixture. Spread rhubarb sauce over lady fingers. Top with half of the mascarpone cheese mixture. Dip remaining lady fingers into orange juice mixture; arrange on mascarpone mixture. Spread with remaining mascarpone cream mixture, making decorative swirls. Cover and refrigerate for at least 4 hours or up to 48 hours. Use sharp knife and pie lifter to cut and serve in neat squares.

NUTRIENTS Per serving: Calories: 543 kcal, Protein: 7 g, Fat: 32g, Carbohydrate: 54 g, Sugar 40g, Fibre: 11g, Sodium: 36 mg

PARKING GARAGE SPEED LIMIT

For the safety of our patients and visitors, please be cautious when driving in the parking garage or lots. Speed limit should be no more than 20 kms/per hour.
