IN THIS WEEK'S ISSUE

It's National Nurses Week! May 8 - 12, 2017

1

• IT'S NATIONAL NURSES WEEK
MAY 8 - 12, 2017

This week is National Nurses Week, a chance to recognize the outstanding contributions our nurses make on a daily basis for our community!

2

• OUR SECURITY GUARDS ALWAYS
AT THE READY
• SCHEDULE OF EVENTS
• NEW FACES AT WRH

Here's a quick list of some of the things we have planned this week to pay tribute to the nursing profession:

3

• THANK YOU MICHAELS
• BRAIN TUMOUR AWARENESS MONTH
• DRAGON BOAT FOR THE CURE
• CORVETTE CLUB ANNUAL SHOW

• On Monday, we will unveil our new promotional video that features a dozen WRH nurses telling our community what nursing means to them! Check your WRH email for the link and if you use social media we encourage you to share it. It is a touching video with comments from nurses in their own words.

4

• GLOW RIDE
• CANSWERS CENTRE LIVE
• RECIPE OF THE WEEK
• SAFETY SPOTLIGHT PRESENTS

• On Tuesday and Thursday, you may see a nurse walking around with a new "shadow" for a few hours. Those are physicians and medical students from the Schulich School of Medicine who volunteered to follow nurses through various departments. The goal is to improve the students' understanding of how nurses care for patients.

• On Wednesday, WRH and our partners at Hôtel-Dieu Grace Healthcare will once again hold a joint ceremony to recognize excellence in nursing. The two organizations take turns hosting this event which this year will be held at Tayfour campus at 10 am. We look forward to celebrating with the winners and reading the great stories that supported their nominations!

• A reminder for Ontario Nurses' Association members: On Thursday, May 11, ONA local 8 will host its annual dinner at the Fogolar Furlan Club located at 1800 North Service Road at 7 pm. If you missed the deadline to purchase a ticket, please email local8@ona.org.

• We also want to give our nurses a treat and this year we're going to "Soup It Up!" Delicious gourmet soup tasters will be delivered courtesy of the Windsor Star News Cafe's "Soup Market." Watch for these tasty treats at a nursing desk near you!

Infection with avian influenza A (H7N9) is associated with exposure to infected poultry or contaminated environments, and most often results in clinically severe disease. Canadians may be at risk of travel-acquired infection and importation from China.

Our Security Guards Always At The Ready

The Security Departments at the Ouellette Campus and Met Campus are staffed by Security Guards from G4S Secure Solutions (Canada) Ltd., a professional and highly successful security system throughout Canada.

The local G4S offices provide recruitment and training to ensure that the Security Guards working at Windsor Regional Hospital locations are skilled and highly trained and are capable to do the job required, 24 hours a day, 7 days a week.

Although the Security Guards are not Windsor Regional Hospital employees, their mandate is intact; to protect, assist and be there when needed. They play an active role in the WRH team, maintaining a safe and secure environment that ensures the best interest of the staff, patients, families, visitors, volunteers and professional staff are met.

Some of their daily duties include patrolling the facilities and properties, enforcing proper access controls and monitoring video surveillance systems. Windsor Regional Hospital Security Guards are responsive in a prompt, courteous, efficient and professional manner when the need occurs.

To show the effectiveness of our Security personnel, recently, the Ouellette Campus Supervisor, Justin Nurmi was selected "Employee of the Month" from the local G4S Branch for April 2017. Justin was nominated for his devotion to patients and his fellow security guards at the WRO campus. Congratulations to Justin and his entire team, for making us feel safe and secure.

Safety Spotlight Presents...

Meet Trennette,

Trennette

Trennette has been representing the IBEW union as a worker member of the Ouellette Campus Joint Health & Safety Committee (JHSC) for almost 2 years, and has been with the hospital since 1998. Trennette enjoys having a voice and an opportunity to create positive changes.

If there was one 'safety' word to describe herself, it would be 'cautious'. Her motto is 'if at first you don't succeed, try, try again and her favorite vacation spot is St. Lucia – so far!

Thank you Trennette for your time and dedication to the JHSC!
