

A Tradition Continues

Thanks to a sewing group in Chatham, Ontario; Windsor Regional Hospital's Paediatric Child Life Services received a number of brightly designed and colorful pillowcases for children in hospital to take home when discharged.

The concept began through Ryan's Case for Smiles where, around the world, groups sew pillowcases from gifted fabric and donate to their local and regional hospitals. Over 1500 pillowcases have been donated from the Essex-Kent-Lambton region alone.

Photo (l to r): Wilma Noordam, along with Lisa Graham, Child Life specialist and Laura Dieleman, donate several more pillowcases.

RECIPE OF THE WEEK

Strawberry Bread

Preparation: 30 min
Cook Time: 45 min

INGREDIENTS

- 2 cups fresh strawberries
- 3 1/8 cups all-purpose flour
- 2 cups white sugar
- 1 tablespoon ground cinnamon
- 1 teaspoon salt
- 1 teaspoon baking soda
- 1 1/4 cups vegetable oil
- 4 eggs, beaten
- 1 1/4 cups chopped pecans

DIRECTIONS

Preheat oven to 350 degrees F (175 degrees C). Butter and flour two 9 x 5-inch loaf pans. Slice strawberries and place in medium-sized bowl. Sprinkle lightly with sugar, and set aside while preparing batter. Combine flour, sugar, cinnamon, salt and baking soda in large bowl; mix well. Blend oil and eggs into strawberry mixture. Add strawberry mixture to flour mixture, blending until dry ingredients are just moistened. Stir in pecans. Divide batter into pans. Bake in preheated oven until a tester inserted in the center comes out clean, 45 to 50 minutes (test each loaf separately). Let cool in pans on wire rack for 10 minutes. Turn loaves out of pans, and allow to cool before slicing.

We Invite You To "TEAM CLEAN"!

In the Summer of 2016 "Team Clean" picked up more than 25 bags of garbage and cigarette butts from both Campuses of WRH. This year, there will be another opportunity to improve our surroundings and join others for some outdoor fun – all in support of an initiative that allows us to take pride in our campus neighbourhoods.

Join "Team Clean" to clean away trash and raise awareness about our local environment. It's a great way to have fun with colleagues or take the kids and it's an excellent opportunity for High School students looking to fill community service hours!

The project is being led by a WRH patient/advocate – Ved Uppal, who says the concept of having teams assemble to clean up around facilities is one he's seen implemented in India that helps connect staff with the neighbourhood where they work. In his words, "Let's work together again this year, and make our work environment clean for staff, patients and visitors!"

Everyone is invited to join the team for any amount of time...the days are also intended to raise awareness and conscientiousness regarding our environment.

Ouellette Campus Dates

Tuesday, July 4
Thursday, August 17

Met Campus Dates

Thursday, July 6
Tuesday, August 15

"Team Clean" will meet at 8:30 am on all the dates and sessions will run until 11:30 am but you don't have to stay for the full time period – come on out for as long as you are able and willing to help!

Participants will also receive an appreciation gift and supplies for the cleanup.

Anyone interested in joining can register with Renee Hopes at ext. 33184 or by emailing renee.hopes@wrh.on.ca.

Let's take pride in our neighbourhood, participate in the Team Clean at Windsor Regional Hospital

TUESDAY, AUGUST 15 / MET CAMPUS / 8:30AM - 11:30AM
THURSDAY, AUGUST 17 / OUELLETTE CAMPUS / 8:30AM - 11:30AM

Volunteers will be picking up garbage, etc...making the environment for patients and families a little better.

If you have two hours or more to give, you are invited to join in this initiative - participants will receive supplies, bottled water and an appreciation gift. (Students needing to complete hours are encouraged to participate)

There are now 9 states in Brazil with confirmed yellow fever cases, continuing an outbreak that began in January 2017. 1,311 cases of yellow fever (519 suspected and 792 confirmed) have been reported, with a case-fatality rate of 34.6% among confirmed cases.

Six Months Left Before WRH Grounds Are 100% Smoke-Free

Canada Day is almost here – the year will be half way over and there will only be another half year before a complete smoking ban will be in place on any area of hospital property.

As of January 1, 2018, WRH and all other hospitals in Ontario must be completely smoke free on hospital grounds, in compliance with legislation passed by the Ontario Government and the Ministry of Health and Long-Term Care under the Smoke Free Ontario Act. This means there will be no designated smoking areas permitted at either campus.

Currently, and on until January 1, 2018, at Ouellette Campus, you must use the smoking shelter on Goyeau Street next to the Bell Building and at the Met Campus, you must use the smoking shelter at the corner of Lens and Kildare Road.

Violators are subject to a FINE of \$305.00 for a FIRST OFFENSE, which is enforced by the Windsor Essex Health Unit's Tobacco Enforcement Unit. On Windsor Regional Hospital property, the Security Department can and will be the first line of enforcement for both staff and patrons, but the reports generated and sent to the Tobacco Enforcement Officers will be reasonable grounds to lay charges.

Security and other staff have noticed some individuals smoking in areas outside of the designated spots. Please refrain from smoking in any other area of our properties out of courtesy to our guests and your colleagues.

WRH Auxiliary A Unique Group

Since 1934, the Auxiliary at the Met Campus have served the hospital with great commitment and dedication. Members of the volunteer group are between 75 to 85 years of age and yet, each member is loyal to the mission of volunteering each week in the Gift Shop. Despite challenging weather or holidays, the auxiliary volunteers keep the gift shop open for patients, their families, visitors and staff as a true sense of duty. They ask nothing in return and each year are pleased and proud to present an annual donation during the hospital's Annual General Meeting of the Board of Directors.

This year, the Windsor Regional Hospital Auxiliary donated \$115,000 as a result of their Gift Shop revenues. The funds support an ICU Bariatric Stretcher, Surgical Blanket Warmer, Ice Dispenser for the Family Birthing Centre, Mechanical Lift for the Medicine Program, a Surgical Patient Lift and Vital Sign Monitors, and Bladder Scanners for the Emergency Department and Surgical Program.

A Day For A Life Golf Event Honors A Loved One

Now in its seventh year, "A Day For A Life" – Trevor Louis Funkenhauser Golf Tournament has raised over \$170,000 dollars for operating room equipment, ICU Waiting Room at Ouellette Campus and organ and donor awareness.

This year's event, held last Wednesday at the Kingsville Golf and Country Club was again attended by many sponsors, family and friends of the Funkenhausers, who enjoyed golf and dinner where Heather St. Pierre shared her story as a successful transplant recipient through Trillium Gift of Life.

"We thank the Trillium Gift of Life organization for the great work they do. It means a lot to us, as a family of an organ donor, who was a son, brother, husband and uncle 'Trevor' and, who saved many lives as a result of his organs being transplanted," stated Gunther Funkenhauser, organizer of the annual golf tournament. To donate, go to www.beadonor.ca.
