## Tayfour Campus Auxiliaries recognized for their generosity

Both the Malden Park Auxiliary and Windsor Western Auxiliary will be recognized for their successful fundraising with the naming of a parkette and courtyard in their honour. The Malden Park Auxiliary was organized out of the original Riverview Hospital Auxiliary and have been fundraising on behalf of chronic and complex continuing care patients for decades. Members of the Auxiliary are being honoured with the naming of a park located right of the newly renamed Dr. Y. Emara Centre for Healthy Aging and Mobility. The Malden Park Auxiliary have raised funds through their Gift Shop, Nevada/Break Open ticket sales and sales of Lifeline. The Windsor Western Auxiliary preceded the original IODE Ladies Auxiliary and too, have been fundraising on behalf of patients at the Western Campus, now Tayfour Campus for decades. They are currently operating a Gift Shop Kiosk in the Dr. Fouad Tayfour Regional Rehabilitation Centre. The Western Auxiliary will be recognized with the naming of the Courtyard, located left of the entrance of the Rehabilitation Centre. Both Auxiliaries have given a \$100,000 pledge to the Cornerstone of Caring campaign.
