March is Problem Gambling Prevention Month

A number of activities are planned to increase awareness and shine a spotlight on WRH’s Problem Gambling Services (PGS) during the month of March. PGS has been providing treatment since 1994. Services are designed to help those individuals who are experiencing gambling problems, as well as those family members and friends who are being affected by problem gambling. Outpatient and education services are available to residents of Windsor and Essex County, while residential treatment services are available to residents across Ontario.

New Intranet Kiosk Installed at Malden Park Continuing Care

An Intranet kiosk has been installed for staff at MPCCC. The kiosk is the second at the Western Campus and will allow employees who do not have access to a PC at work, to view information posted to the WRH Intranet site. A staff member will be on hand on Monday, March 2, 2009 from 2 pm to 4 pm at the kiosk located in the lobby to show staff how to access information and submit forms. (This will allow staff to submit Perfect Attendance Ballots for the month of February).

In Concert with Wellness Program Kicks Off at Western Campus

On February 25th, Stephen Jones, Pianist will be performing from 4:15 pm to 5:00 pm in the Western Campus Lobby. If you know of anyone interested in performing, contact Public Affairs at ext. 52005.

VeinViewer—First In Ontario, Second in Canada

The Emergency Department is pleased to announce the addition of a VeinViewer—a revolutionary state-of-the-art medical imaging system. It will allow Nurses to see the location and orientation of children’s veins. This machine is made possible through the generosity of Windsor Essex Care for Kids Foundation.

Paddles Up! Record Number of Teams to Participate in 2009 Dragon Boat Event
