## WRH is the People's Choice

On Wednesday, November 10, 2010, Windsor Regional Hospital was awarded the People's Choice Award for our *Follow the Yellow Dot* Initiative at the Ministry of Health and Long Term Care and OHA Innovations Expo. **Celebrating Innovations in Health Care Expo 2010** showcases initiatives driving health care system renewal in Ontario. The event reflects the **six themes** that focus on the Government's **Excellent Care for All Act** to create a high quality, integrated health care system with better patient outcomes and improved access to care. *Follow the Yellow Dot* is an innovation created by the team at Windsor Regional Hospital that focuses on communication between caregivers in order to reduce/eliminate the transmission of community acquired based infections.

## November is Diabetes Awareness Month

On November 14, 2010 the World Celebrated World Diabetes Day. The Pediatric and Adult Diabetes Clinic staff invite you to visit our display the week of November 15-19 for more information about our programs and the many strategies available for managing this chronic disease. Submit your name for one of our 'Health Smart' prize draws at the display at Met Campus. For more information contact Lynda Lambing at ext. 52451.

## Help for Stroke Patients

The Acute Injuries Rehabilitation and Evaluation Centre (AIREC) at the Western Campus of Windsor Regional Hospital will introduce and demonstrate a new revolutionary Saebo Dynamic Orthosis System which allows individuals with limited arm movement and no hand use, even 30 years after a stroke, the opportunity to regain arm and hand function. This will take place on November 26th from 1 p.m. to 4 p.m. For more information, contact Nelly Schuurman ext. 75199.
