Windsor Regional Hospital Rocks!

NRC Picker conducts surveys with patients that have received service at all Ontario Hospitals. Recent Patient Satisfaction results show improvement in many areas. These include measures such as ‘courtesy of nurses’, ‘availability of nurses’ and ‘courtesy of admission’. WRH showed an improvement in quality and scored above the Ontario Community Hospital Average in most categories. Congratulations to all who contribute to the provision of care to our patients.

Our Hearts Do Go Out to Haiti

There will be an event to support the Haiti Relief Fund on February 4th at the Met Campus First Floor Lobby (2pm to 7pm) and at the Western Campus—Tower Building Lobby (2pm to 5pm). Activities include musical entertainment, dramatic readings and opportunities to throw a pie in the face of the CEO and other WRH personalities. If you have talent you want to share, contact the Public Affairs/Foundation office at ext. 52008.

Hats ON for Healthcare

On February 10th, 2010, everyone at Windsor Regional Hospital and the communities we serve are invited to wear a “HAT” and make or raise a small donation for Windsor Regional Hospital Foundation. Businesses and organizations will be participating by wearing a hat to work and throwing in a toonie in support of the WRH Foundation. We hope you are able to participate and will encourage your family and friends to participate as well. WRH departments are encouraged to participate. Check out our website at www.HatsOnForHealthcare.com for details or contact Danielle Ramsten at ext. 52656.
