

The more you praise and celebrate your life, the more there is in life to celebrate. **Oprah Winfrey**

Six Leading Practices at Ontario Hospital Association's Health Achieve Conference

Windsor Regional Hospital is pleased to present six leading practices at Health Achieve this week in Toronto. The topics are: Medicine Redesign WE Care Framework - Chronic Disease Management Team/ Complex Continuing Care - Laughter Yoga (Adult Day Program) - Timely Access to Psychiatric Services -A Matter of Patient Safety: Hospital reduces Falls with Injury for Three Consecutive Years and Pediatric Short Stay. Congratulations to all staff who participate in these programs and contribute to making WRH a leader in Ontario.

HOOPP Retirement Presentations

Employees are invited to attend one of the HOOPP Pre-Retirement Presentations at Windsor Regional Hospital. TAYFOUR Campus, Thursday November 15 12:00pm Huot OZAD Room at the Regional Children's Centre. MET Campus, Thursday November 15 6:00 pm Auditorium Side B, Friday November 16 12:00pm Clinical Education Conference Centre. No R.S.V.P. is required.

Random Acts of Kindness Day

Friday, November 9th is Random Acts of Kindness Day in Windsor and Essex County. Windsor Regional staff are asked to participate. Staff will have the opportunity to tell us about a **Random Act of Kindness** that was done by you or for you via the website. A selection of the submissions will be printed on the Hospital website and Digital tvs for all to see! Examples: I was in line at Tim Horton's and the person in line ahead of me (a stranger) bought my coffee or Yesterday, I walked out of my house and noticed all the leaves had been picked up. It turned out that it was my neighbour. What a nice surprise!

Wear Purple on November 15th!

November is Women Abuse Awareness and Prevention Month in the Province of Ontario. Thursday November 15th has been designated "wear purple day" at Windsor Regional Hospital. Show abused women and their children that their community supports them in their quest for a life free from violence.

Montana's

Montana's is holding a Windsor Regional Hospital Community Night on Monday, November 12. Invite your friends, family, and colleagues to dine at Montana's between 6 p.m. and midnight. The Windsor Regional Hospital Foundation will receive 10% of all food sales during this time. Help us spread the word and enjoy a fun family night away from the kitchen!

Did you know?

November is Woman Abuse Awareness and Prevention Month. 1 in 3 Canadian Women will experience sexual assault in their lifetime according to the Women's Ontario Directorate.

The Tribune is a Publication of the Public Affairs Department of Windsor Regional Hospital.
Submissions can be made to gisele_sullens@wrh.on.ca or by calling ext. 52008.
