

*Reach high, for stars lie hidden in your soul. Dream deep, for every dream precedes the goal. ~ Pamela Vaull Starr*

## Rehab Unit “On the Move”

The Fouad Tayfour Regional Rehabilitation Program is excited about moving to the completely rebuilt in-patient unit on the third and fourth floors of the tower and the updated outpatient space on the first floor at the Tayfour Campus. The entire move will take five days. Departments, including Occupational Therapy, Physiotherapy, Psychology, Social Work, Speech & Language Pathology and Therapeutic Recreation will start to move on Friday, March 22<sup>nd</sup>. The inpatient unit will move on Monday, March 25<sup>th</sup> with the patients being moved to the new location through the tunnel. Sincere appreciation is extended to everyone involved in the move and their efforts in preparing for the move. We also want to recognize nursing students of St. Clair College and the University of Windsor who are also helping on March 25<sup>th</sup> with the patient move. **Staff who are not involved in the move are asked not to use the tunnel on March 25th.**

## It Takes Two...To Know it is You!!!!

On Friday, March 22, 2013, WRH will be launching a campaign to highlight and reinforce the required practice of utilizing ‘2 patient/client identifiers’. Using ‘2 patient/client identifiers’ ensures that we reliably identify the individual as the person for whom the service or treatment is intended and ensures that we match the service or treatment to that individual. Volunteers will be assisting in handing out rubber armbands (*think Livestrong*) to all staff at various entrances. Accept a band and be eligible to win movie passes for 2. For those of you familiar with Dr. Seuss – watch for *Thing 2* to make an appearance.

## Compassion is our Passion—New ID Badges

In keeping with the WRH motto—*Compassion is our Passion*, new ID Badges will be made available to all staff (employees, volunteers and physicians). Please note the following times and locations for staff to have photos taken and obtain new badges: Met Facilities Conference Room 1310-March 21st 11am to 1 pm, 2:30pm to 4pm; March 27th 10 pm to 1 am. Tayfour Campus: Toldo Mental Health Hospital (TMHH) Security Desk-March 21st 11am to 1 pm, 2:30pm to 4pm; March 26th Security will visit all units at Malden Park and (TMHH) 12am to 4 am and 6am to 8am. Off-site: Managers contact Security to make arrangements.

### Did you know?

Using the ‘2 patient-client identifier’ is a required organizational practice. There are no exceptions!
