- 11.3 This Agreement may be terminated by the Hospital, in its absolute discretion, for any reason by giving the VP prior notice in writing equal to six (6) months, plus one (1) additional month for each full year of service up to a maximum of twenty-four (24) months notice in total (the "Notice Period") or on paying to the VP the equivalent termination pay in lieu of notice in equal monthly amounts over the Notice Period or a combination of the Notice Period and pay in lieu. During the Notice Period, the VP shall have a positive obligation to mitigate the amounts, taking all reasonable steps to find reasonably comparable employment (including consulting and contract work) and if such mitigation occurs, a lump sum payment in the amount equal to one-half of the remaining Notice Period shall be issued.

These payments will be made, less required statutory deductions, and are inclusive of the Hospital's obligations to give "notice of termination" in accordance with the Employment Standards Act, 2000, and any other severance or termination obligations thereunder.

- 11.4 The VP agrees to accept the pay-in-lieu of notice as set out in Article 11.3 above in full and final settlement of all amounts owing to her by the Hospital on termination, including any payment in lieu of notice of termination, entitlement of the VP under any applicable statute and any rights that the VP may have at common law, and the VP waives any claim to any other payment or benefits from the Hospital and agrees that he will sign a release in a form satisfactory to the Hospital to this effect.

- 11.5 As used in this Article 11, the term "cause" shall be deemed to mean:

- (a) The VP's breach of a material term of this Agreement; or
- (b) Any reason which would entitle the Hospital at law to terminate the services of the VP without either notice or pay in lieu of notice, including, without limitation, gross or willful misconduct, habitual neglect of duty, incompetence, or conduct incompatible with her duties, or conduct prejudicial to the Hospital's business, or willful disobedience to the Hospital's orders in a matter of substance; or

- (c) Any conduct by the VP which calls into question the VP's integrity or the integrity of the Hospital or that tends to bring discredit to the Hospital, including but not limited to conduct involving dishonesty or conduct that calls into question the trustworthiness or moral character of the VP such as a criminal conviction; or
 - (d) The theft by the VP of any funds or property of the Hospital; or
 - (e) An attempt by the VP to obtain any personal advantage from any transaction in which the VP has an interest which is adverse to the interest of the Hospital, unless the VP shall have first obtained the consent of the CEO of the Hospital in writing; or
 - (f) Willful neglect of the duties assigned to the VP pursuant to the provisions of this Agreement, including compliance with applicable legislation, including but not limited to the Public Hospitals Act (Ontario); or
 - (g) If the VP becomes insolvent and unable to pay her debts in full, or files an assignment in bankruptcy or is adjudicated a bankrupt.
- 11.6 (a) It is understood that, if termination occurs pursuant to Articles 11.1 or 11.3, all benefits shall terminate at the end of the month of termination.
- (b) Upon termination of this Agreement for any reason, the VP acknowledges that all items of any kind created or used by her pursuant to her employment or furnished by the Hospital to her including, but not limited to, any motor vehicles, equipment, books, records, credit cards, reports, files, diskettes, manuals, literature, confidential information, or other materials shall remain and be considered the exclusive property of the Hospital at all times, and shall be surrendered to the CEO of the Hospital, in good condition, promptly without being requested to do so.
- 11.7 The VP hereby acknowledges and agrees that he will not be constructively dismissed in the event of a government mandated restructuring of the healthcare system that results in the Hospital's operations being assumed by a regional health authority, a local health integration network or other organization provided the restructuring does not materially affect the VP's responsibilities (e.g. may be a site administrator) and there is no decrease in the VP's salary or benefits.

ARTICLE 12 LIABILITY INSURANCE

- 12.1 The Hospital shall insure the VP under its general liability policy both during and after the term of her employment, for all acts done by the VP in good faith and in the execution of her office as Vice-President, throughout the term of her employment, including where the VP is specifically named in a lawsuit launched by a patient, member of the Medical Staff, or any other party where the Hospital is a co-defendant in accordance with policy limits and requirements.

- 13.1 "Confidential Information" includes, without limitation, information and facts relating to the operation and affairs of the Hospital acquired by the VP in the course of her employment, including information and facts relating to present and contemplated services, future plans, processes, procedures, suppliers, capital projects, financial information of all kinds, government relations strategies, patients or their health records, any product, device, equipment or machine, or employees. For greater certainty, Confidential Information shall not include:

- 13.2 All Confidential Information of the Hospital, whether it is developed by the VP during her period of employment or by others employed or physicians engaged by or associated with the Hospital, is the exclusive property of the Hospital and shall at all times be regarded, treated and protected as such.
- 13.3 The VP shall not disclose Confidential Information to any person or use any Confidential Information (other than as necessary in carrying out her duties on behalf of the Hospital) at any time during or subsequent to her period of employment without first obtaining the consent of the CEO, and the VP shall take all reasonable precautions to prevent inadvertent disclosure of any such Confidential Information.
- 13.4 Within five (5) days after the termination of the VP's employment by the Hospital for any reason, or of receipt by the VP of a written request from the Hospital, the VP shall promptly deliver to the Hospital all property belonging to the Hospital, including without limitation all Confidential Information (in whatever form) that is in the VP's possession or under the VP's control.
- 13.5 Nothing in this section precludes the VP from disclosing Confidential Information at any time if disclosure of such Confidential Information is required by any law, regulation, governmental body, or authority or by court order, provided that before disclosure is made, notice of the requirement is provided to the Hospital, and to the extent possible in the circumstances, the Hospital is afforded an opportunity to dispute the requirement.
- 13.6 The contents of this Agreement shall not be disclosed by the VP to anyone, except to the CEO, the Board, to the VP's own financial and legal advisors, or as required by law, regulation, governmental body, or court order. Requests for further disclosure will be made to the CEO for consideration.
- 13.7 The parties will agree in advance upon any appropriate press releases to announce the execution or termination of this Agreement.

- 14.1 The VP will not, either while employed with the Hospital or for a period of six (6) months subsequent to the VP's termination of employment for any reason, without the Hospital's express written consent, either as an individual, or in conjunction with any other person, firm, corporation, or other entity, whether acting as a principal, agent, employee, consultant, or in any capacity whatsoever solicit, attempt to solicit, or communicate in any way with any employees or physicians of the Hospital for the purpose of having such employees or physician employed or in any way engaged by another healthcare organization, person, firm, corporation, or other entity.
- 14.2 The VP and the Hospital covenant and agree that neither party shall engage in any pattern of conduct that involves the making or publishing of written or oral statements or remarks (including, without limitation, the repetition or distribution of derogatory rumours, allegations, negative reports or comments) which are disparaging, deleterious or damaging to the integrity, reputation or goodwill of the other party, which in the case of the Hospital, includes the Board, officers, employees, physicians and/or patients.
