

# A DAY FOR A LIFE CHARITY GOLF TOURNAMENT

HONOURING THE MEMORY OF TREVOR LOUIS FUNKENHAUSER

Dear Supporter,

Spring is here! Although it might not feel that way yet, we all hope that this message finds you well.

With the warm weather on its way we are starting to plan our annual golf tournament in honour of Trevor. We are pleased to announce that A Day For A Life 2022 will be held at Kingsville Golf and Country Club on **Wednesday, June 22nd**. At this time we look to our friends, family and community that has offered us so much support and that includes you!

We wanted to take this opportunity to share with you some of the things that your support has allowed us to do over the last decade:

- Renovation and maintenance of ICU waiting room at Windsor Regional Hospital, Ouellette Campus.
- Acquisition of specialized equipment utilized in organ harvesting and transplantation.
- Development of Organ Donation Awareness Video - sharing the stories of organ recipients, donor families and medical professionals involved in organ and tissue donation.
- Creation of Organ Donation Awareness billboards and other promotional materials, such as signage on buses and bus terminals.
- Financial contributions to the Leamington Hospital, Heart & Stroke Foundation, Kidney Foundation of Canada, Canadian Liver Foundation & Erie Shores Hospice.

Without your support our efforts would not be able to come to fruition. For this we want to "Thank You!"

We hope that you will continue to work with us as we plan for another successful event. If you are interested in participating or sponsoring please let us know.

Sincerely,

**The Funkenhauser Family**

One organ donor can save up to eight lives and enhance the lives of up to 75 others through tissue donation.

There are over 1,500 people on the waiting list for an organ in Ontario. Every three days someone dies waiting for a lifesaving transplant.

Registration saves lives. Families of registered donors almost always reaffirm consent when they see evidence of their loved one's donation decision. If they don't know what their loved one would have wanted, consent is given only 50% of the time.

Just 31% of eligible Ontarians have registered consent to donate. A signed donor card does not mean you are registered.
