

Sail into 7 SUMMER

Sail into Summer 7 is an event aimed at raising much needed funds to support the purchase of a state-of-the-art Apheresis Machine for Windsor Regional Hospital's renal program.

Apheresis machines allows clinicians to safely separate and collect specific blood components—such as plasma, platelets, or stem cells—while returning the remaining blood back to the patient. This technology is essential for treating complex conditions like blood cancers, autoimmune diseases, and severe infections, and it supports lifesaving transfusions for patients in critical need. Support for this equipment, directly improves access to advanced treatment, reduces wait times, and give patients in our community the best chance at recovery close to home.

Tickets are \$150 per person

Includes dinner with wine, entertainment & silent auction.

Donations from those who cannot attend are greatly appreciated.

For tickets visit wrh.on.ca/sailintosummer or contact Windsor Regional Hospital Foundation by email at gisele.seguin@wrh.on.ca / 519-987-3160
