

# Telemedicine

A free and confidential service that allows you to see, hear and speak to specialists' right in your community.

## Benefits

- Saves time and cost of travel
- Better access to specialized services
- Used for many types of appointments
- Your loved one(s) can attend

If you or your loved one could benefit from Telemedicine please contact one of our Telemedicine Nurses or ask your health care provider:

519-254-5577 ext 52443

April Reed 519.995.7347 or Teresa McGregor 519.995.4443

Or view our webpage on [www.wrh.on.ca](http://www.wrh.on.ca)

Select: Telemedicine from *Programs and Services*

Windsor Regional Hospital offers Telemedicine through Ontario Telemedicine Network, which is available in hundreds of sites across Ontario. Telemedicine appointments are conducted over their secure network.
