The Hon. Dr. Eric Hoskins
Minister of Health and Long-Term Care
10th Floor, Hepburn Block
80 Grosvenor Street
Toronto, Ontario
M7A 2C4

Dear Dr. Hoskins,

On behalf of the Essex County Chinese Canadian Association (ECCCA), in Windsor, Ontario, I am writing in support of the Windsor-Essex Hospitals Systems proposal for a new hospital in Windsor and Essex County. At our annual general meeting of our Association, our membership voted overwhelmingly in favour of the new hospital plan. This centrally located site will bring about much-needed health care improvements for all of the residents of Windsor and Essex County.

Incorporated in 1976, the Essex County Chinese Canadian Association promotes understanding and partnership between Chinese Canadians and the broader Essex County community. In this regard, the ECCCA strongly believes that the plan proposed by the W-E Hospital Systems will serve the growing ethno-cultural communities well. As the third largest linguistic community in Windsor and Essex County, the Chinese Canadian population has grown in recent years. Along with this growth we are seeing large numbers in the senior population, many of whom have been sponsored by their children. The strategies in the W-E Hospital Systems proposal will better integrate the needs of senior and vulnerable ethno-cultural communities.

At the ECCCA's Annual General Meeting in December, a motion was passed to support the Windsor-Essex Hospital Systems and its plan for a new hospital for Windsor and Essex County. Of the attendees who are part of the voting membership, ninety-five (95) percent voted in favour of this plan. This is an indication of the strong support within the ECCCA.

In closing, the Essex County Chinese Canadian Association asks that the Ministry of Health and Long-Term Care give strong consideration to the Windsor-Essex Hospital Systems proposal and provide our community with a new hospital that will meet the health care needs of all the residents in this region.

Sincerely,

Stephen Tsui, P.Eng
President

cc The Hon. Kathleen Wynne, Premier of Ontario
Dave Cooke and David Musyj, Co-Chairs, Windsor-Essex Hospital Systems
