MEDIA ADVISORY

May 14, 2019

For immediate release:

Students to Donate Colourfully Decorated Bike Helmets to WRH Trauma Program

WINDSOR, ON. As we head into Victoria Day weekend, it's a great time to remind everyone about the importance of bike safety!

Tomorrow, a group of University of Windsor students, in conjunction with the university's Cognitive Neurosciences Lab, will present the helmets to our Trauma Program lead.

DATE: Wednesday, May 15, 2019

TIME: 11:00 am

WHO: Diane Bradford, Manager, Regional Trauma Program/Injury Prevention, WRH
Dr. Lori Buchanan, Director, Cognitive Neurosciences Lab, University of Windsor
Dirusha Moodley and Julia Borsatto, Master's students; Daniella Mlinarevic, Msc

LOCATION: Met Campus, Donor Presentation Area, 1st Floor lobby

- 30 -
