### **Shoppers Drug Mart to announce results of Women's Health Campaign**

**WINDSOR, ON.** On Wednesday, February 12th, please join representatives from Windsor Regional Hospital, Windsor Regional Hospital Foundation, and Shoppers Drug Marts in the Windsor area as they announce the results of the women's health initiatives through the LOVE YOU by Shoppers Drug Mart.

This very significant donation will put the Windsor and Essex Community one-step further in acquiring the 3D Digital Mammography equipment, which give patients an imaging test that create a three-dimensional picture of the breast. Combining 3D mammograms with standard mammograms can increase the number of cancers that can be detected during screening and reduce the need for additional imaging.
