

WRH SPONSORS FREE CAR SEAT CLINIC THIS SATURDAY

For parents, nothing is more important while driving then ensuring their precious cargo is safe in the back seat!

Windsor Regional Hospital is proud to sponsor a free car seat clinic taking place this Saturday by Safe Seats Save Children, a group of local community service agencies and volunteers whom, as a result of initial certification and continued experience, are able to inspect your child's seat.

Date: Saturday, Jan. 10, 2019
Time: 10 am – 2 pm
Location: Windsor Fire Station (Main)
815 Goyeau St., Windsor, ON

Certified car seat technicians along with dedicated volunteers will provide this free clinic for interested parents and caregivers. Although all inspections are free, donations are welcome and appreciated and will be used for training and purchasing resources.
